STUDIO LEGALE E TRIBUTARIO

Russo De Rosa Associati takes care of your needs as always

Our firm complies with the Italian Government's restrictive measures by encouraging our professionals to **work from home**. Therefore, our office in Galleria San Babila is temporarily closed, but all the activities will **continue as usual**: the reception is operative and all our professionals are available via e-mail or phone.

We adopted all the necessary measures to avoid any inconvenience while protecting our **health** and that of our community.

You can find our reception from 8:30 a.m. to 6:00 p.m. at **0291431200** or at **reception@rdra.it**.
